

## STANDARDS

Our teaching methods are in accordance with the latest requirements and standards set out by the controlling body (SSA). All teachers are qualified in teaching infants and toddlers to swim. (Certificates can be requested).

## FEES AND ATTENDANCE

Courses are booked and paid for in advance.

Please note that missed lessons are forfeited and can possibly be made up if space permits. If a child is under orders to discontinue lessons indefinitely a possible refund will be considered on presentation of a doctor's letter.

Note also that missed lessons disrupt continuity and interfere with rate of progress.

**NB – A full course notice is required should you choose to cancel or discontinue with lessons.**

## HEALTH AND SAFETY REGULATIONS

Please adhere to the swim school rules as these are made in the best interests of all concerned. Make note also of the following health regulations.

- Please report any known medical irregularities
- No big feed within an hour of lessons
- Swimwear must fit snugly around the leg to avoid spills
- Meet in assigned area before lessons
- Use tissues provided to wipe noses.
- Do not remove swimwear in the water.
- Make use of potties, and prevent spills by placing outside behind door.
- Keep diapers/swimwear on for as long as possible to maintain pool deck hygiene.
- Please take your used diapers away with you. We are unable to dispose of these on the premises.
- Pack a snack for after lessons – avoid eating on pool deck or inside the facility.
- The instructor's responsibility ends once the class is dismissed.
- Please adhere to our parking plan and consider our neighbours.
